

APPLICABLE MINIMUM HOURLY RATES OF WAGES

1. The attached wage determination decision of the Secretary of Labor specifies the minimum hourly rates of wages which shall be paid to laborers and mechanics employed or working directly upon the site of the work, the rates having been determined by the Secretary of Labor in accordance with the provisions of the Davis-Bacon Act, as amended, to be the prevailing rates for the corresponding classes of laborers and mechanics employed on contracts of a similar character in the locality where this work is to be performed. **THESE MINIMUM HOURLY RATES OF WAGES SHALL APPLY ONLY IF THE CONTRACT IS IN EXCESS OF \$2,000 IN AMOUNT.**
2. While the wage rates given in the attached decision are the minimum rates required to be paid during the life of the contract, it is the responsibility of bidders to inform themselves as to local conditions such as the prevailing wage rates, the length of the work day and work week, overtime compensation, fringe benefit payments, available labor supply, and prospective changes or adjustments of wage rates. The Contractor shall abide by and conform to all applicable laws, Executive Orders, and rules, regulations and orders of the Secretary of Labor. No increase in the contract price shall be allowed or authorized on account of the payment of wage rates in excess of those listed in the attached decision.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in he matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries

of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7).
Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
