Your proposal will be reviewed and evaluated based on price and past performance. You will be contacted to discuss minor clarifications or questions concerning your proposal and to establish a specific time if negotiations are conducted. We intend to evaluate proposals and issue a task order without discussions (except communications conducted for the purpose of minor clarification). Therefore, each initial offer should contain the offeror's best terms from

a price standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary.

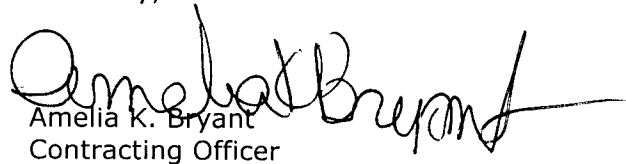

**The Contract Completion Date (CCD) is 390 calendar days (7 phases)
Incorporate the attached Bid Sheet into the project/contract.
Liquidated Damages will be \$200 a day.**

You may contact the ROICC at (252) 466-4751 to inspect site conditions, review available as-built drawings (if applicable), or inquire about other on-site technical details. Any changes to the scope of work or technical specifications will be effected on a Standard Form (SF) 30.

This request does not constitute notice to proceed nor shall it be considered as a commitment on the part of the Government. Any costs incurred prior to issuance of a task order cannot be reimbursed. Costs of such nature are considered to be for the benefit of the Contractor and are incurred at his discretion. The successful offeror will be issued a task order, which will take the form of Department of Defense (DD) Form 1155, under their contract as set forth in FAC 5252.216-9306, Procedures for Issuing Orders (NOV 1998). Direction to proceed for each task order issued will be provided upon receipt and approval of an acceptable performance bond and payment bond under each task order.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If the answer to the question in 1.) is yes, then an

interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
