Re: Contract Numbers: See Above, Multiple Award Construction Contract (MACC), Cherry Point, North Carolina

Gentlemen:

In accordance with the contract clause entitled "Ordering of Work" contained in the reference contracts, it is intended to issue a contract task order to the successful offeror for the following project:

P-171, MASS-1 AND ARMORIES, INTERIM FACILITIES

A site visit **will** be conducted for this project on **19 June 2008 at 0900**. Your proposal, to include your cost estimate shall be submitted to the attention of the undersigned at this office by not later than **1400 on 2 July 2008**. Electronic submission of proposals may be made to **roicc_chpt_ktr_bids@navy.mil**. Receipt of your proposal is subject to FAR 52.215-1, Instruction to Offerors – Competitive Acquisition (JAN 2004) contained in Document 00201. Please note that no bid bond is required.

Your proposal will be reviewed and evaluated based on price and past performance. You will be contacted to discuss minor clarifications or questions concerning your proposal and to establish a specific time if negotiations are conducted. We intend to evaluate proposals and issue a task order without discussions (except communications conducted for the purpose of minor clarification). Therefore, each initial offer should contain the offeror's best terms from a price standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary.

The Contract Completion Date (CCD) is 270 days after award. Site prep work for modular facilities shall be complete 30 days after Notice to Proceed. Incorporate the attached Specifications and Drawings into the project/contract. Liquidated Damages will be \$2,250.00 a day.

You may contact the ROICC at (252) 466-5930 to inspect site conditions, review available as-built drawings (if applicable), or inquire about other on-site technical details. Any changes to the scope of work or technical specifications will be effected on a Standard Form (SF) 30.

This request does not constitute notice to proceed nor shall it be considered as a commitment on the part of the Government. Any costs incurred prior to issuance of a task order cannot be reimbursed. Costs of such nature are considered to be for the benefit of the Contractor and are incurred at his discretion. The successful offeror will be issued a task order, which will take the form of Department of Defense (DD) Form 1155, under their contract as set forth in FAC 5252.216-9306, Procedures for Issuing Orders (NOV 1998). Direction to proceed for each task order issued will be provided upon receipt and approval of an acceptable performance bond and payment bond under each task order.

We appreciate your cooperation in preparing and submitting your proposal. If you have any questions, please contact the undersigned at (252) 466-5930.

Sincerely,
