(Signature of person authorized to sign)		(Signature of Contracting Officer)	

CONTINUATION SHEET

1. QUESTION: To avoid damaging the bedroom/hallway side of the walls, my subcontractor plans to access all shower valves from the front side (shower side). This will involve placing an oval faceplate over the access hole after the new valves are installed. Otherwise, accessing the shower valves will involve cutting into and patching wallpaper that will prove difficult to match. Is this acceptable by the government?

ANSWER: Yes, this is acceptable.
